Dear colleagues,

Fast-responding, reliable and sustainable supply chain within the European market is very much needed recently in all fields of economy but especially in Textile, Clothing and Fashion Industry (TCF). The Bulgarian TCF industry has generation lasting experience, quality proven capabilities and near to the market flexibility, proven by exported goods of billions of Euro and around 100 000 experienced employees. That multiplied by the capabilities of 12 countries and markets within less than 700km on the Balkans, gives the opportunity landscape of the region.

If you are interested in working with the Bulgarian and Balkan Textile, Clothing and Fashion Industry, exhibiting on **TexTailorExpo 2022** is the best opportunity to make good contacts and achieve your goals.

About the fair:

TexTailor Expo 2022 is a B2B exhibition, held in International Fair Plovdiv, Bulgaria, scheduled for 27-29 October 2022. The expo is under the auspices of the Ministry of economy. More information could be found on <https://www.texttailorexpo.com/en>
